

Covid-19 Protocol – Carmel Ice Skatium & Arctic Zone

Below you will find our most up to date COVID safety protocols for all events. Every person entering the building must pre-screen themselves for COVID-19 symptoms. Anyone exhibiting symptoms is not allowed to enter the building. The rink reserves the right to deny access to any individual showing symptoms.

1. Do not enter the rink or team event if you or your player has any of the following symptoms:
Sore throat, Cough, Chills, Body aches, Shortness of breath, Loss of smell or taste, Fever over 100 degrees Fahrenheit
2. **Face coverings** are required by all individuals in all rink locations unless you are on the ice during activity or eating/drinking in a designated area
3. **Players and Coaches**
 - A. Please do not enter the rink until 15 minutes prior to ice session in order to allow for proper spacing and cleaning between games
 - B. Locker rooms may be accessed 10 minutes before and must leave 10 minutes after games only. There is no access to shower or bathrooms in the locker
 - C. Face coverings are required at all times in locker rooms
 - D. When possible, players should arrive with most equipment already on.
 - E. Bring your own clearly labeled and filled water bottle. The rink will not be able to fill water bottle for team water this season. There are no Drinking fountains)
 - F. There will be no handshakes, hugs or tight group gathering on the ice before or after the game. Physical distancing must be maintained at all times when the players are not competing.
 - G. Coaches will wear face masks at all times
4. **Spectators**
 - A. There will be a total of 25 spectators permitted to enter the arena per team per game. (The 25 spectators are above and beyond the players, coaches, and manager).
 - B. We highly encourage only necessary spectators during events.
 - C. High School Games No Student Spectators Allowed at this time.
 - D. Spectators may enter the rink 5 minutes before the start of the game.
 - E. Please Exit the rink as soon as your game ends. After the game please pick up your player outside the rink. This is to ensure the lowest number of people in the rink at a given time.
 - F. Individuals must observe social distancing guidelines in all spaces including lobby, hallways, next to glass, and in parking lots. (Suggestion, stand along the glass and watch a game.)
 - G. Please do not enter closed areas of the rink.
